Product Group 90

```
graph LR; A[Product Group 90 (sizeCode:A)] --- B[Product Group 1289 (sizeCode:A)]; A -- Merge --> C[Product Group 90];
```

The diagram illustrates a merge operation. On the left, under the 'Before' heading, there are two light blue rounded rectangular boxes. The top box contains the text 'Product Group 90 (sizeCode:A)' and the bottom box contains 'Product Group 1289 (sizeCode:A)'. A vertical line connects the bottom of the top box to the top of the bottom box. A horizontal line branches off from this vertical line, pointing to the right. Above this horizontal line is the word 'Merge'. The horizontal line ends with an arrow pointing to a light red rounded rectangular box on the right, under the 'After' heading. This box contains the text 'Product Group 90'.
